

ACUSA PARK 2010 RIDE DAYS

A series of 4 open-to-the-public Ride Days from May through September will be hosted by the Levis Motorcycle Club and conducted at ACUSA Park in 2010.

Ride days are subject to weather conditions (particularly when very dry) and dates can be altered at short notice, read the Club Notes in the Motoring section of the Advertiser on Thursdays for any information and any last minute changes.

Come along and ride your bike on the Dirt Track, Enduro and two Motocross circuits at affordable prices. A schedule for the use of each track will be in place to allow for a fair rotation of rider groups. A new separate junior training facility has just been built for the littlies, with an Accredited MSA Coach available on most Ride Days to help juniors develop their skills. Coaching is available for all riders regardless of age and experience, and can be particularly helpful to those who have not ridden for some time and need a 'brush up' with their riding skills. Bring the whole family, we cater for everyone.

Tracks will be open from 10am till 3pm (gates open 9am) for anyone with a safe and ride-worthy motorcycle. Non-licensed riders, juniors, children, raw beginners, experienced riders with MSA Competition Licences or MSA Recreational Licences are all welcome. One-day licences will be available and required for all non-licensed participants. This is a Controlled and safe riding environment for the whole family where juniors are supervised and segregated at all times. Small junior quads up to 110cc only- no senior quad riders.

This is an excellent opportunity to try out the different tracks. You may even decide to enter an event at this or another venue, Officials can advise you how to go about it. Have a talk with the coach or an experienced club rider and learn new set-ups, tricks and skills. They are always happy to help.

Even if you just want to check out the bikes, riders and the tracks just come along, there is no charge for looking and our catering service can provide you with a huge range of great food and drinks throughout the day. ***BREAKFAST ALSO AVAILABLE***
